**PLEASE NOTE: ALL DISTRICTS SHOULD BE HOLDING
THEIR ANNUAL ELECTION OF OFFICERS AT THEIR
OCTOBER MEETING**

FROM THE WORKSHOP CHAIRS

Fiddle Camp 2020 is well underway. We've got a contract with the Moses Lake Christian Academy again for next year. The dates are July 13-17. We hope to have all the instructors firmed up by the end of October. Thank you for all that filled out the survey. It is a very helpful tool for us to know if there are things we need to keep, do better, or completely switch up.

Something we would like to add is a Junior Committee Member. This would be anyone between 13-17. We want the input of young ones and what better way than to have one of them join in the decision making process. We have online meetings once every other month on the odd month that you would need to be able to attend and also be available at times during the camp week. If you are interested in helping with the Camp planning process please let us know. wotfaworkshop@gmail.com or by contacting Corrine at 253-720-7703.

Another position we are looking to add is one or two people that would be willing to be our assistant for the week. Corrine will have a baby this year and also will have just had surgery before camp. This person or persons would be her legs. You would need to be able to run errands such as getting print jobs from Staples, delivering the daily news to the classes and

anything else she may need. An ideal candidate would be an adult that is there already and not taking any classes. If you are taking a half day class, or have a child in a half day class, we could do two people each taking half a day. Please let us know if you are interested in this. You would receive a free class admission for you (1/2 day) or a family member (whole day). Please contact us at wotfaworkshop@gmail.com or Corrine at 253-720-7703.

Lastly, remember to follow us on Facebook at WOTFA Fiddle Camp.....Corrine & Tyler

Monthly Meeting & Jam: To Be Announced

I hope everyone has a costume picked out for the annual trick-or-treating. I thought I might go as a fiddler and threaten to play on the doorstep of anyone that doesn't want to put out the candy dish. Elections for District officers will be coming up, and if anyone shows up to the meeting, they probably will get elected. Looking forward to seeing each of you at the playdates through the next few months!

Monthly Meeting: 4th Sunday Calvary Crossroads Church

Members of District 3 were saddened for the loss of Joe Leonard who passed away in the first week of September. He was a valued and stalwart member of our group. He was a strong singer and a skillful guitar player, having played for many years in professional bands. He knew more songs than any ten

other players and could always provide the backing and instrumental breaks for any piece being performed. His family requested that our group play upbeat songs at his memorial service. Fifteen of us played "When the Saints Come Marching In," "I'll Fly Away," and "San Antonio Rose." On another note, our fearless leader, Gerry Gengler is still recovering from his broken hip. He got to play with us for the first time in over a month as we were playing at the rehabilitation facility that he was at and could roll down the hall to the room where we played. He is on the road to recovery, has a real positive attitude, and is anxious to get back "on the road" with us.

Gorst Tune learning: 11:00-Noon~ Meeting & finger food
potluck: Noon~ Jamming until about 2:40

The District 5 Campout was a great success once again! Many, many thanks to so many who stepped up to help out in the absence of several of the regulars. It was indeed a great community effort. Special thanks go to Greg Lester, Bill Fitzpatrick, Kay McCarthy, and Sandy O'Kelly. If I have forgotten anyone, please know that it's just my feeble brain and lack of memory...it's certainly not personal! We missed a good number of folks who regularly attend, most prominently our dear friends from District 15. We hope you are all doing well and look forward to seeing you next year.

We resumed our monthly meetings on Saturday, September 21st. In October we will elect our next district chairperson. Also, Dutch Kaiser will teach some basic clogging steps, then we can dance and jam until the meeting starts at noon. Folks should wear soft soled shoes. In November, we will forgo the tune learning session and start the meeting at 11:00 so that we can hold a workshop featuring Jeanie Murphy and Scott Marx on banjo and fiddle, respectively. All are welcome to attend. The workshop is free to WOTFA members, and \$20 to non-members. It will go from noon to 2:00 with a jam until 3:00.

I would like to take this opportunity to recognize Jeff and Jane Anderson from Olympia, who have been members of the Washington Old Time Fiddlers' Association for 50 YEARS!!! They have been providing stellar examples of what our old time music is all about for all these many years. They have done many workshops and played at most all of the various shows that have taken place, especially on the west side of the mountains. It is such a pleasure to sit in on a jam session with them and hear all of the stories from Jeff's youth through his growing up years. Congratulations, Jeff and Jane for all your many contributions to this organization!!

Dist. 6 Monthly Meeting: 2nd Saturday – Des Moines Masonic Center, 2208 S. 223rd, Des Moines. Doors open at 11:00 AM, meeting at 1:00 PM followed by finger food potluck and jam session. No meetings May through August. Meetings resume in September.

Circle Jam: 4th Saturday in January, February, March; September & October– 1:00-4:00 PM, Des Moines Masonic Center. No Jams in April, May, June, July, August, November & December.

It's been quiet in District 6. We hope a lot of people will show up for our October 12 meeting, where we will be electing a new chair!

Last year we all really enjoyed having music instruction in conjunction with our meetings and jams, so we'll be doing it again this year - featuring some of our outstanding fiddle teachers! We will have two groups going: in one room we will have our regular jam, and in the other room we will have an hour of instruction followed by an hour of an instrumental only jam, facilitated by the day's instructor. On meeting days everyone will jam together until noon, when the lesson will start. On jam days the lesson will start at 1:00. Plan on taking this opportunity to get some instruction from some of the best teachers around for the price of just showing up!

I haven't heard any joys or sorrows to report and I hope this means that everyone is doing well and enjoying good music with friends and family.
